**Kiwi Maintenance Group**

EXTERIOR CLEANING WITHOUT LIMITS

# WINDOW CLEANING

With years of experience delivering commercial window cleaning services across Auckland and New Zealand, you can be assured of a first-class glass cleaning service with KMG. We are specialists in providing an exceptional glass cleaning service on and in buildings of any size, including office towers, shopping malls, commercial warehouses, industrial factories, airports, universities and everything in between.

- Interior and exterior
- Brush and Blade finish

# WATER BLASTING

Kiwi Maintenance Group specialise in commercial and industrial water blasting, offering a full range of services in a cost-effective manner.

We can manage your regular water blasting requirements with a tailor made solution to suit the operation of your business.

With highly trained staff, the right equipment, products and techniques, we will deliver a great service every time, with the least possible disruption.

It means satisfied customers for us and a job well done for you. It couldn't be easier.

## ROPE ACCESS

Our experienced rope access operators are IRAANZ and IRATA qualified and can provide complex access and rigging techniques to reach places in a cost efficient way that would otherwise require scaffolding or the use of a crane. Some of the services we offer by Rope Access:

- Cladding repairs and sealant treatment
- Exterior water blasting and window cleaning
- Industrial / commercial repairs, inspection and maintenance
- Height certification and testing
- Confined space

When it comes to reliable rope access and abseiling work, KMG is second-to-none.

## WE ALSO OFFER

- Building Wash
- Chemical Treatment
- Gutter Inspection Cleaning
- High Cleaning
- Mechanical Sweeping & Scrubbing

## WHAT OUR CUSTOMERS SAY ABOUT US

“  
*How fantastic Kiwi Maintenance Group guys who cleaned our commercial building windows on Saturday were. What a great job and what super nice guys.*”

*Alison - Spotless*

“  
*We're rapt with the sparkling clean windows and gutters*”

*CCS Building*

“  
*Thank you for a fabulous job. I can immediately see the great work you have done and it looks amazing.*”

*District Court*

“  
*Thank you to you and your team for all your help. You guys were amazing*”

*Joseph, Spotless*

“  
*I would like you to pass on to them that I have been very impressed by the work ethic of the guys. And without hesitation this would be the best building wash I have had here in 4 years.*”

*Ray Nicholls - Zest Apartments*

“  
*Many thanks for your outstanding service this morning. Your response at such short notice was second to none! You were committed to providing a first rate outcome and ensuring the area was left in a state fit for a Minister! Thanks again and much appreciated.*”

# SAFETY

Kiwi Maintenance Group is committed to achieving the highest health, safety and environmental standards across our operations. We are committed to delivering a great service to our customers – but also to do that in a manner which safeguards the health and safety of our employees, contractors, client staff and members of the public, while also protecting the environment where it may be affected by our activities.

Our approach to Health and Safety is based on the core value, representing one of the foundations on which our success has been built and entrenched in the culture of our company. It is more than just processes and procedures. It is a mindset which puts our people first and cares for their well-being above all else.
